

COSTS

JS parents make a yearly financial commitment to participation in Joyful Sound!

Payments are made on our website and are due the first Tuesday of each month. A \$15.00 late fees is added for any payment received after the 2nd Tuesday of the month.

Regular and consistent payments are necessary for continued participation in rehearsals and performances. Should a problem arise, it can be resolved by a parent initiated conversation with the director.

There is a one time fee of \$75.00 for each child which covers registration, audition and music.

JS works with families who need special financial consideration and are willing to work or contribute to the choir in a meaningful way.

Yearly commitments may be paid in a single payment by August 1st. The yearly commitment may also be paid monthly in 10 equal payments, or 12 mths., if needed.

The first payment, along with the registration/audition/music fee is due by August 1st.

Parents are expected to be involved with the choir. This includes responding to communication in a timely manner and assisting your child in being present and prepared for all rehearsals. Parents are asked to serve by volunteering in an area where they have interests or expertise.

The entire choir benefits from an atmosphere where parents, students and directors are cooperative and enjoy working together. Open communication is vital between parents, members & staff.

Throughout the year optional musical, social and educational opportunities are presented for parent consideration.

Examples of optional activities include retreats, trips, parties, banquets, fundraising and music competitions.

"The Joyful Sound! of Christmas" and The Joyful Sound! of Spring are ticketed events. Members are asked to sell a minimum number of tickets for each concert.

WARDROBE

Our JS Wardrobe Coordinator works with all members to secure new or used wardrobe. Attire includes JS formal attire, Christmas vests and annual t-shirts. A separate handout is available outlining all wardrobe needs and costs. If desired, used wardrobe is usually available at half the cost. JS wardrobe does not change from year to year. Following the initial purchase, students wear their wardrobe for multiple years.
